

STAIN REPELLENT & RELEASE SYSTEM

BAYGARD® EASY CLEAN is a repellency concept that has excellent performance and is based on PFOA free technology. It is on one hand stain repelling, and on the other hand excellent stain removing on the hardest fibre types. Suitable for different applications, apparel or outdoor.

BAYGARD® EASY CLEAN

BAYGARD® EASY CLEAN is a proven stain repellent & release solution based on environmental friendly fluorocarbon chemistry.

Based on the fluorocarbon technology, a bi-functional compound system has been developed to achieve a fantastic performance on stain removal during washing or cleaning.

The basic goals of the **EASY CLEAN** solution are safety, durability and invisibility:

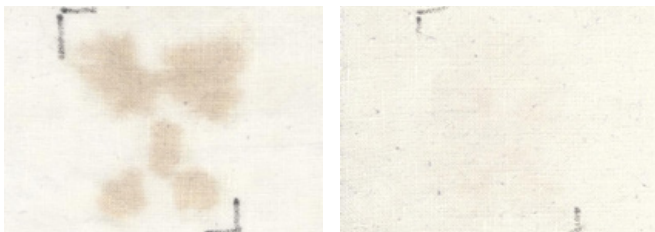

- Repels dirt, water and oil
- Protects against oil and aqueous based stains
- Products are based on the PFOA free technology (< 5 ppb PFOA)
- Stain release effect on knitwear, lasts 20-30 home laundries due to the incorporated booster-system
- Excellent stain removability also visible on one of the hardest fibre types: linen and PES/co working clothes
- High wear comfort and no odour
- No yellowing or harsh feeling

Test results

Corn oil

Red wine

Unprotected

Protected with BAYGARD® EASY CLEAN

Guide recipe

Actual recipe will depend on the construction and stains which are more often staining the textile.

BAYGARD® EASY 20 - 80 g/l

BAYGARD® CLEAN 5 - 30 g/l

100% Wet Pick-up

Cure for 2 minutes at 165 °C

Stain protection

BAYGARD® EASY CLEAN protects against stains from food and beverages e.g. red wine, coffee, lemonade, mustard, gravy and chocolate.

Corn oil
